My little <u>brother</u> took my <u>Switch</u> to <u>stream</u> a <u>game</u> or two on <u>Twitch</u>. But, when he <u>tried</u> to <u>turn</u> it on, my Switch would not <u>play</u> Pokémon.

My Switch would not play Mario, or Donkey Kong, or Yu-Gi-Oh!, or Minecraft, or Monopoly, or Captain Toad, or Pikmin 3, Jurassic Park, or Kingdom Hearts, or any game with racing karts, or Shovel Knight, or Dragon Ball, or, really, any game at all.

He gave it back and said, "It's <u>broke</u>." L I had to giggle at my joke.

I switched my Switch and played a trick.

I'd given him my painted brick.
