Hello, my name is AstroCow.
I'm deep in outer space right _____.
I'm off to visit distant stars.
I've seen the moon. I've been to _____.

I've done the most amazing things.
I soared through Saturn's massive _____.
I checked out Neptune. Pluto too.
Then out among the stars I _____.

I built this awesome rocket ship
to take an interstellar _____,
and travel through the galaxy
to find a home for cows like _____.

You see, I used to live on Earth.
It was my home, my place of _____.
But now I search for somewhere new;
somewhere they don't serve _____.
