# Our Holiday Shopping

Read this poem and fill in the blanks  
with the rhyming words from the list on the right

Our parents went holiday shopping online.  
They ordered the presents and thought it was \_\_\_\_\_.  
But, then, they forgot to turn off the computer,  
and that's when the baby, who couldn't be \_\_\_\_\_,  
decided to play with the keyboard awhile.  
She climbed up and pushed a few keys with a \_\_\_\_\_.

She bought a new blanket, a book, and a binkie,  
a bottle, some blocks, and a sled, and a \_\_\_\_\_.  
She ordered a dozen new puzzles and balls,  
plus hundreds of teddy bears, diapers, and \_\_\_\_\_.  
And when she was done clicking keys for the day,  
she giggled and got down and waddled \_\_\_\_\_.

The cat came along and walked over the keys  
and ordered some cat toys and treatments for \_\_\_\_\_.  
Our puppy jumped up and bought toys he could chew,  
plus sweaters, and leashes, and tennis balls \_\_\_\_\_.  
And, lastly, our hamster sat down on the mouse,  
and clicked to have everything shipped to our \_\_\_\_\_.

The presents arrived just a day or two later.  
I don't think I've ever seen anything \_\_\_\_\_!  
The drivers arrived and, before they were gone,  
left thousands of packages out on our \_\_\_\_\_.  
It's all so exciting, and will be until  
our parents receive their next credit card \_\_\_\_\_.
