# TINY TODD THE TURTLE

Read this poem and answer the questions below

My turtle's name is Tiny Todd.  
He's Tiny Todd the turtle.  
And Tiny Todd the turtle's favorite  
game to play is Wordle.

He has to guess a random word  
by typing on his phone.  
He's never lost a single game.  
His record stands alone.

He starts it every morning  
and he plays till late at night.  
It always takes him all day long  
to get the answer right.

He tries to play it fast, and yet  
his pace is just a crawl,  
since Tiny Todd the turtle's  
still a turtle after all.
