I might have met a monster.  
It's a little hard to say  
since it didn't try to frighten me  
and make me run away.

It happened just this morning  
when I got up out of bed  
and a creature in the hallway belched  
which filled my heart with dread.

I didn't have my glasses on  
and couldn't see too well,  
but that creature growled and grumbled  
and gave off a nasty smell.

It shuffled down the hallway  
with a moan that froze my soul.  
If I had to guess, I'd say  
it was an ogre or a troll.

Its hair was super shaggy  
and its breath was really bad.  
I might have met a monster.  
Or it could have been my dad.
