# ? I Love to Read a Mystery

Read this poem and fill in the blanks  
with the rhymes from the list on the right

I love to read a mystery.  
It's my favorite kind of book.  
There's one I like a lot about  
a butler and a \_\_\_\_\_.  
I had it here this morning.  
It was in my reading \_\_\_\_\_.  
But now my book is missing.  
Was it stolen by a \_\_\_\_\_?  
Could they have used a fishing pole  
to snag it with a \_\_\_\_\_?  
I wonder if my mystery was  
the only thing they \_\_\_\_\_?  
I hope that I can find it.  
Will you come and help me \_\_\_\_\_?  
Then we can solve "The Mystery  
of the Missing Mystery \_\_\_\_\_."
