# An Oyster Celebration

Read this poem and fill in the blanks  
with the words from the list on the right

There's an Oyster \_\_\_\_\_  
every year in Oyster Bay,  
when the Oyster Bunny \_\_\_\_\_  
his Oyster eggs on Oyster Day.

They put their Oyster clothes on,  
Oyster morning, getting \_\_\_\_\_  
in their brand-new Oyster \_\_\_\_\_  
and their Oyster Sunday best.

They watch the Oyster Day \_\_\_\_\_  
go marching through the streets,  
and enjoy their Oyster baskets  
filled with tasty Oyster \_\_\_\_\_.

They listen to the Oyster \_\_\_\_\_  
given by the priest,  
then they have an Oyster egg hunt  
and prepare their Oyster \_\_\_\_\_.

It might seem \_\_\_\_\_ to you and me,  
but this is just the way  
that they celebrate on Oyster \_\_\_\_\_  
every Oyster Day.
