# I Helped My Mom Make Dinner

1. Read the poem and draw a picture of your favorite part..
2. Write about what is happening in your picture.

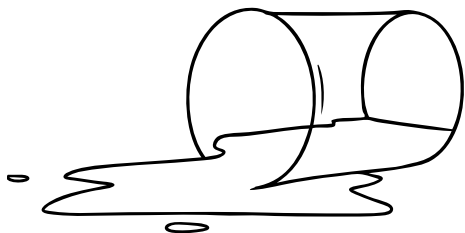

I helped my mom make dinner.  
(I like to help a lot.)  
I helped make mashed potatoes  
until I dropped the pot.

I helped her roast a turkey.  
I helped her bake a pie.  
The oven started smoking.  
I really don't know why.

I helped her set the table.  
I dropped the dinner rolls.  
I helped arrange the dishes.  
I broke a pair of bowls.

I helped her pour the milk.  
I spilled it on the floor.  
I helped so much she said  
she didn't need help anymore.
