# Triangles Make Me Feel Nervous

Read this poem and write each shape's name in the space provided on the back of the sheet

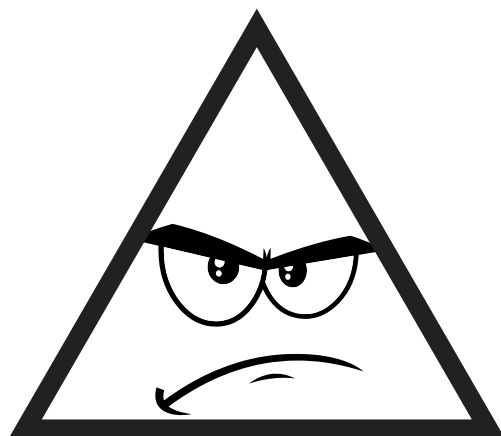

**Triangles** make me feel nervous,  
and **rectangles** make me feel sad.  
I'm not at all fond of the **rhombus**,  
and **octagons** drive me quite mad.

The **crescent** and **heart** aren't my favorites.  
The **trapezoid**'s truly bizarre.  
The **sphere** and the **circle** are silly.  
I'm not a big fan of the **star**.

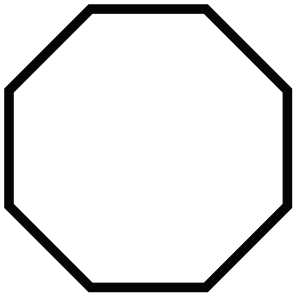

Of all of the shapes I can think of,  
the **square** is the best one I've found.  
I'm always excited to see one.  
I like when a square is around.
