

AI Mirror On the Wall

Read this poem and answer the questions on the back

AI mirror on the wall,
show me what I'd look like tall.
Dress me in a suit and hat.
Make my face look like a cat.

Change my skin to turn it blue.
Add a beard and mustache too.
Make me young. Now make me old.
Place me on a pile of gold.

Show me what I'd look like blonde,
with a cape and magic wand.
Make my hair short. Make it long.
Make my muscles big and strong.

Thank you, AI. That was fun.
But for now, I think we're done.
Turn off AI on the wall.
Normal me is best of all.
