Pumpkin Problems

1. Read the poem and draw a picture a pumpkin or jack-o-lantern.
2. Write your favorite Halloween foods, games, and traditions.

I'm searching for a pumpkin
at The Perfect Pumpkin Patch.
They have so many different kinds.
I can't find two that match.

I want a jack-o'-lantern for
our house on Halloween.
I found one caked in tons of mud.
I found one squeaky clean.

I found a long and skinny one.
I found one short and wide.
I found a shiny orange one
with stripes along the side.

I found one with a curly stem.
I found one big and tall.
My mom said I could pick and so
I did.
I bought them all.
